---

Dear Friends:

Our office is recruiting patients for following clinical trials

1. Osteoarthritis of Hip or Knee
2. Chronic Low back pain
3. Moderate Alzheimer's disease. MMSE 10-20. Pt on Namenda and Aricept.
4. Any memory impairment, for Amyloid PET scan Evaluation (Medicare patients only)
5. Complex partial/ Focal Epilepsy- Open label study.
6. Moderate advanced Parkinson's disease
7. Acute Migraine
8. Chronic Migraine.
9. Agitation in Alzheimer's disease
10. Mild Alzheimer's disease- Day Break study-
11. Stem cell treatment for stroke- chronic deficit.
12. Psychosis in Parkinson's disease.

All expenses for the office visit will be covered. The patient's time will be compensated and the patient travel will be compensated. They will not be charged anything.

**We do not bill for these studies to the insurance company, so it does not matter whether the patient is insured or not insured.**

**Patient Name** \_\_\_\_\_  
**Phone #** \_\_\_\_\_  
**Email #** \_\_\_\_\_

Thank you very much.
